Wednesday, June 29 from 5:30 – 7:30 p.m.

Lyndhurst Community Center, 1341 Parkview Drive, Lyndhurst

Tuesday, July 12 from 5:30 – 7:30 p.m.

Zone Recreation Center, 6301 Lorain Avenue, Cleveland

Saturday, August 20 from 10 a.m. – 1 p.m.

Watershed Stewardship Center at West Creek, 2277 West Ridgewood Drive, Parma

Tuesday, August 23 from 5:30 – 7:30 p.m.

Happy Days Lodge, 500 West Streetsboro Street (S.R. 303), Peninsula

Saturday, September 17 from 9 a.m. – 4 p.m.

Sewer District's Annual Open House, 4747 East 49th Street, Cuyahoga Heights

Thursday, September 22 from 5:30 – 7:30 p.m.

Mayfield Village Civic Center, 6622 Wilson Mills Road, Mayfield Village

STOP BY AT ANY TIME to learn more about the Sewer District's Regional Stormwater Management Program and credit opportunities available to homeowners.

Representatives will be available to answer property-specific questions about the program and offer assistance with credit applications. Learn about rain gardens and other best practices, how to paint a rain barrel, permitting requirements in your community, and more.

Fees for the Regional Stormwater Management Program will appear on your NEORS D bill starting the second half of 2016. Look up your fee and learn more about credit opportunities at **neorsd.org/feefinder**.

Sewer District to Host Residential Stormwater Credit Workshops

Fees for the Northeast Ohio Regional Sewer District's Regional Stormwater Management Program will return to bills beginning July, but the Sewer District is hosting informational workshops to help customers learn more about the program's benefits to Northfield Village and how residents can apply for residential credits to reduce their bills.

Most customers receive quarterly sewer bills and this fee will appear as a separate line-item on their July, August or September bills, whenever the next bill is scheduled. Through the Sewer District's stormwater fee credits, customers can reduce their bill by taking steps to manage their stormwater runoff.

The Sewer District is holding several meetings and customers can attend any meeting that is most convenient to them. A brief presentation will be offered at multiple times throughout these workshops. Northfield Village residents are encouraged to attend the following meeting:

Lyndhurst:	Wednesday, June 29, 2016 5:30 – 7:30 p.m. Lyndhurst Community Center 1341 Parkview Drive, Lyndhurst
Cleveland:	Tuesday, July 12, 2016 5:30 – 7:30 p.m. Zone Recreation Center 6301 Lorain Avenue, Cleveland
Parma:	Saturday, August 20, 2016 10 a.m. – 1 p.m. Watershed Stewardship Center at West Creek 2277 West Ridgewood Drive, Parma
Summit County:	Tuesday, August 23, 2016 5:30 – 7:30 p.m. Happy Days Lodge 500 West Streetsboro Street (S.R. 303), Peninsula
Mayfield Village:	Thursday, September 22, 2016 5:30 – 7:30 p.m. Mayfield Village Civic Center 6622 Wilson Mills Road, Mayfield Village

In addition, residents should also attend the Sewer District's Annual Open House on September 17, 2016, at the Southerly Wastewater Treatment Facility. Stormwater workshops will be offered at this fun, family-friendly event, but this event is a great opportunity to learn more about all the work the Sewer District does to help keep our Great Lake great. More information is at neorsd.org/openhouse.

The Stormwater Program addresses flooding, streambank erosion and water quality problems across the Sewer District's 355 square mile service area. Northfield Village is a member community of the Sewer

District; wastewater from our Northfield Village is treated at the SOUTHERLY Wastewater Treatment Plant, but rain and melting snow falling within our boundaries flows into creeks, streams and rivers and makes its way into Cuyahoga River.

In addition to construction projects that will improve Cuyahoga River, the Sewer District will assume responsibility for millions of dollars of necessary maintenance along large streams across the region. The Sewer District will also conduct planning and build projects to begin addressing the region's chronic flooding and erosion issues. In addition to the assumed maintenance responsibilities, this program will financially benefit Northfield Village with the Sewer District's Community Cost Share program that offers reimbursable grants to our community for stormwater-related work we do.

Additional information about the Regional Stormwater Management Program is available at www.neorsd.org/stormwater.
